EXECUTIVE ORDER 10009

REVOKING IN PART EXECUTIVE ORDERS NO. 589 OF MARCH 14, 1907, AND NO. 1712 OF FEBRUARY 24, 1913

WHEREAS Executive Order No. 589 of March 14, 1907, recited in part that passports issued by the Government of Japan to Japanese or Korean citizens who were skilled or unskilled laborers to go to Mexico, Canada, or Hawaii were being used for the purpose of enabling the holders thereof to come to the continental territory of the United States to the detriment of labor conditions therein, and ordered that such citizens of Japan or Korea be refused permission to enter the continental territory of the United States; and

WHEREAS Executive Order No. 1712 of February 24, 1913, recited that passports issued by certain foreign governments to their citizens or subjects, skilled or unskilled laborers, to go to countries or places other than the continental territory of the United States were being used for the purpose of enabling the holders thereof to come to the continental territory of the United States to

the detriment of labor conditions therein, and ordered that such alien laborers, skilled or unskilled, be refused permission to enter the continental territory of the United States; and

WHEREAS the continued restraint imposed by the said Executive orders upon the freedom of Japanese or Korean citizens or subjects who entered the Territory of Hawaii under the passports referred to above to come to the continental United States has resulted in considerable personal hardship to such persons; and

WHEREAS the number of Japanese or Korean citizens or subjects thus prohibited from entering the continental United States from the Territory of Hawaii is so small, and the age of such persons is so advanced, that their entry into the continental United States would no longer be a detriment to labor conditions therein:

NOW THEREFORE, by virtue of the authority vested in me by section 3 of the Immigration Act of 1917 (39 Stat. 875; 8 U. S. C. 136) I hereby revoke the said Executive Orders No. 589 of March 14, 1907, and No. 1712 of February 24, 1913, to the extent that they are applicable to Japanese or Korean citizens or subjects who entered the Territory of Hawaii under the aforesaid passports and who are now precluded from legally entering or remaining in the continental territory of the United States by reason of such Executive orders.

The Commissioner of Immigration and Naturalization is hereby authorized and directed, with the approval of the Attorney General, to take such action and to issue such rules and regulations as may be necessary for carrying out the provisions of this order.

Chapter IX—Production and Marketing Administration (Marketing Agreements and Orders)

PART 951—TOKAY GRAPES GROWN IN CALIFORNIA

DETERMINATION RELATIVE TO BUDGET OF EXPENSES AND FIXING OF RATE OF ASSESSMENT FOR 1948-49 SEASON

Notice was published in the FEDERAL REGISTER (13 F. R. 5317) dated September 11, 1948, that consideration was being given to proposals regarding the budget of expenses and the fixing of the rate of the assessment for the 1948-49 season under the marketing agreement, as amended, and Order No. 51, as amended (7 CFR, Cum. Supp., 951.1 et seq.) regulating the handling of Tokay grapes grown in the State of California. This regulatory program is effective under the Agricultural Marketing Agreement Act of 1937, as amended. After consideration of all relevant matters presented, including the proposals set forth in the aforesaid notice which were submitted by the Industry Committee (established pursuant to said amended marketing agreement and order) it is hereby found and determined that:

§ 951.203 *Budget of expenses and rate of assessment for the 1948-49 season.* The expenses necessary to be incurred by the Industry Committee, established pursuant to the provisions of the aforesaid amended marketing agreement and order, for the maintenance and functioning of such committee during the season beginning April 1, 1948, and ending March 31, 1949, both dates inclusive, will amount to \$23,470.00; and the rate of assessment to be paid, in accordance with the amended marketing agreement and order, by each handler who first handles Tokay grapes shall be \$0.014 per hundred pounds of Tokay grapes shipped by him during such season as the first handler thereof and such rate of assessment is hereby fixed as each such handler's pro rata share of the aforesaid expenses.

It is hereby further found and determined that it is impracticable and contrary to the public interest to postpone the effective date of this determination until 30 days after publication thereof in the FEDERAL REGISTER (60 Stat. 237-5 U. S. C. 1946 ed. 1001 et seq.) in that (a) shipments of Tokay grapes covered by the aforesaid amended marketing agreement and order have already commenced; (b) the aforesaid rate of assess-

ment is applicable to all Tokay grapes shipped during the aforesaid season; (c) Tokay grape shipments are currently regulated (13 F. R. 5147, 5307, 5485), (d) the mandatory inspection requirements of said amended marketing agreement and order are in effect; (e) in order for the aforesaid necessary assessments to be collected it is essential that the specification of the assessment rate be issued immediately so as to enable the said Industry Committee to perform its duties and functions under said amended marketing agreement and order; and (f) a reasonable time is permitted, under the circumstances, for preparation for such effective date.

As used in this section, the terms "handler," "handles," "shipped," and "season" shall have the same meaning as when used in the said amended marketing agreement and order. (48 Stat. 31, as amended, 7 U. S. C. 601 et seq. 7 CFR, Cum. Supp., 951.1 et seq.)

Done at Washington, D. C., this 14th day of October 1948.

NOTICE OF PROPOSED RULE MAKING

Notice is hereby given in accordance with section 4 (a) of the Administrative Procedure Act (5 U. S. C. 1946 ed. 1003 (a)) that the Secretary of Agriculture of the United States is considering amending § 53.23 (d) of the regulations governing the grading and certification of meats, prepared meats, and meat products (7 CFR Supp 53.23 (d) 13 F. R. 1275) under the Agricultural Marketing

Act of 1946 (7 U. S. C. 1946 ed. 1621 et seq.) and the item for market inspection of farm products in the Department of Agriculture Appropriation Act, 1949 (Pub. Law 712, 80th Congress; 7 U. S. C. 1946 ed. Supp. 414) to read as follows:

(d) *What grade-identifying device shall show.* Each grade identifying device shall bear a name or appropriate symbol approved by the Administrator, clearly indicating the grade of the product as determined by an official grader, and such other marks or symbols as may be required by the Administrator for the proper identification of the product and the service rendered.

The purpose of the proposed amendment is to clarify the authority of the Administrator to require that meats when graded shall be officially identified

as to class, so as to prevent their being mistaken for meats of other classes.

Any person who wishes to submit written data, views or arguments concerning the foregoing proposed amendment may do so by filing them with the Administrator, Production and Marketing Administration, United States Department of Agriculture, Washington 25, D. C., not later than 15 days after publication of this notice in the FEDERAL REGISTER.

Done at Washington, D. C. this 14th day of October 1948. Witness my hand and the seal of the United States Department of Agriculture.

[File Nos. 54-97, 59-73, 59-38, 70-1954]

UNITED PUBLIC UTILITIES CORP. ET AL.

NOTICE OF FILING OF AMENDMENT TO PLAN
AND OF AN APPLICATION; ORDER CON-
SOLIDATING PROCEEDINGS AND RECON-
VENING HEARINGS

At a regular session of the Securities
and Exchange Commission held at its

office in the city of Washington, D. C.,
on the 11th day of October 1948.

In the matter of United Public Utilities Corporation, Applicant, File No. 54-97; United Public Utilities Corporation and its Subsidiary Companies, Respondents, File No. 59-73; United Public Utilities Corporation and its Subsidiary Companies, Respondents, File No. 59-38; Ohio Valley Gas Company, Applicant, File No. 70-1954.

Notice is hereby given that United Public Utilities Corporation ("UPU") a registered holding company, has filed, pursuant to section 11 (e) of the Public Utility Holding Company Act of 1935 (the "Act"), an amendment to Part III of its over-all plan for liquidation and dissolution. The amendment is designated as "Supplement 2 to Part III" (Supplement 2) and is described as the final step in the liquidation and dissolution of UPU. Supplement 2 consists of two plans, hereinafter referred to as "Plan A" and "Plan B."

Briefly stated, Plan A provides for the sale by UPU to Ohio Valley Gas Company ("Ohio Valley") a non-affiliated operating public utility company, of all of the outstanding securities of UPU's remaining subsidiaries, Indiana-Ohio Public Service Company, Lynn Natural Gas Company, and Peoples Service Company ("Indiana subsidiaries") with the exception of 3.5% of the common stock of Peoples Service Company which is publicly held.

Plan B provides for the dissolution of UPU and the distribution of its assets, after provision for the payment of its liabilities, to the holders of its common stock and of voting trust certificates for common stock.

Notice is further given that Ohio Valley has filed an application pursuant to sections 9 (a) (2) and 10 of the act for approval of the acquisition of the securities of the Indiana subsidiaries owned by UPU.

All interested persons are referred to the aforesaid Supplement 2 of UPU and the application of Ohio Valley which are on file in the office of the Commission for a full statement of the transactions therein proposed which may be summarized as follows:

SUPPLEMENT 2 OF UPU

Plan A. Sale of Indiana subsidiaries. UPU proposes to sell to Ohio Valley all of the outstanding securities of UPU's Indiana subsidiaries owned by it for the sum of \$700,000. The agreement of sale provides, among other things, that the Indiana subsidiaries shall pay to UPU all interest accrued and unpaid to the date of closing on income notes and debt securities of the Indiana subsidiaries owned by UPU and that the Indiana subsidiaries shall not declare or pay any dividends on their outstanding capital stocks between June 30, 1948, and the date of closing.

Plan B: Dissolution of UPU. UPU proposes that, upon consummation of the sale of the Indiana subsidiaries and at such time as UPU's board of directors may determine, it will dissolve. UPU further proposes that, after provision for the payment or discharge of its liabilities, it will distribute all its remaining assets to holders of its common stock and

its voting trust certificates for common stock.

It is proposed that the directors of UPU shall be Trustees in Dissolution ("Trustees") and that upon dissolution of UPU, such Trustees shall settle and adjust the affairs of UPU and shall, from time to time, distribute the remaining assets of UPU ratably to the holders of UPU's common stock and to the holders of voting trust certificates for common stock upon the surrender of such certificates in exchange for common stock, and that the Trustees shall be authorized to retain for such time as they elect such portion of the remaining assets as they consider necessary or appropriate to satisfy fully the liabilities of UPU. UPU proposes that such liquidating distribution or distributions be made by the Provident Trust Company or such other corporation as the Trustees shall select as "Paying agent" the final distribution to be subject to the giving of notice as prescribed in Supplement 2.

UPU further proposes that upon the deposit by the Trustees with the Paying agent of the remaining assets of UPU for a final distribution to the common stockholders, the Trustees shall be discharged from their duties and from any liability to UPU's common stockholders, and the sole right of such stockholders shall be to claim the payments made under Supplement 2.

UPU also proposes that the period within which holders of common stock may claim payment of the liquidating distribution under Supplement 1 may be extended to a date not later than five years from the date of the divestment of the last subsidiary of UPU.

General provisions. The consummation of Plan A and Plan B is subject to the following conditions:

(a) That the Commission shall have found the plans necessary to effectuate the provisions of section 11 (b) of the act and fair and equitable to the persons affected thereby and shall have entered an order or orders approving the plans and, if UPU requests, that such order contain appropriate recitals as required by sections 371 (f) and 1808 (f) of the Internal Revenue Code to obtain for UPU and its stockholders certain benefits under Supplement R and Sections 1801, 1802, 1821 (b) and 3481 of the Internal Revenue Code.

(b) That a competent court, upon application by the Commission, shall have entered an order to enforce and carry out the provisions of Supplement 2, including the appointment of trustees and such other appropriate provisions as may be necessary or desirable to accomplish the dissolution of UPU in the manner provided in Plan B, and, at the option of UPU, such order shall have become final and no longer subject to review.

UPU reserves the right to request separate enforcement of Plan A and Plan B.

All expenses and fees incurred in connection with the consummation of Supplement 2 shall be subject to the approval of the Commission.

APPLICATION OF OHIO VALLEY

Ohio Valley is engaged in the purchase of natural gas and the distribution of such gas principally in Tell City and Canaan, in the southern part of Indiana.

Ohio Valley proposes to acquire all of the securities of UPU's Indiana subsidiaries owned by UPU for the cash consideration described in the foregoing summary of Plan A.

Ohio Valley contemplates financing the proposed acquisition of securities through the issue and sale of common stock and bonds. In this connection, Ohio Valley contemplates that Lynn Natural Gas Company will be merged into Indiana-Ohio Public Service Company, that Indiana-Ohio Public Service Company and Peoples Service Company will issue mortgage bonds to Ohio Valley in substitution for the notes of such companies proposed to be acquired by Ohio Valley, that Ohio Valley will issue and sell \$550,000 principal amount of mortgage and collateral trust bonds at par and will sell 21,000 shares of its common stock at the par value of \$10 a share.

Ohio Valley states that it will file with this Commission exemption statements under Rules U-2 (a) (1) and U-9 of the rules and regulations promulgated under the act.

The Commission being required by the provisions of section 11 (e) of the act before approving any plan thereunder to find, after notice and opportunity for hearing, that the plan as submitted or as modified is necessary to effectuate the provisions of subsection (b) of section 11 and is fair and equitable to the persons affected thereby, and it appearing appropriate to the Commission that notice be given and a hearing be held with respect to Supplement 2 and with respect to said application of Ohio Valley to afford all interested persons an opportunity to be heard with respect thereto; and it also appearing to the Commission that Supplement 2 has been filed in the consolidated proceedings pending with respect to UPU and its subsidiaries under sections 11 (b) (1) 11 (b) (2) and 11 (e) (File Nos. 59-38, 59-73, and 54-97) and it further appearing to the Commission that it is appropriate that the proceedings on the application of Ohio Valley be consolidated for hearing with the consolidated proceedings involving UPU and its subsidiaries:

It is ordered, That the proceedings on the application of Ohio Valley be consolidated for the purpose of hearing with the aforementioned consolidated proceedings and that a hearing be held on October 28, 1948 at 11 a. m., e. s. t., at the offices of the Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. On such date the hearing room clerk in Room 101 will advise as to the room in which such hearing will be held. In the event that amendments to Supplement 2 are filed during the course of said proceedings, no notice of such amendments will be required by the Commission unless specifically ordered by it. Any person desiring to receive further notice of the filing of amendments by UPU should request such notice of UPU. Any person desiring to participate in this proceeding shall file with the Secretary, on or before October 26, 1948, a written request relative thereto as provided by Rule XVII of the Commission's rules of practice.

It is further ordered, That Harold B. Teegarden or any other officer or officers of the Commission designated by it for that purpose, shall preside at the hearing in such matter. The officer so designated to preside at such hearing is hereby authorized to exercise all powers granted to the Commission under section 18 (e) of the act, and to a hearing officer under the Commission's rules of practice.

The Division of Public Utilities of the Commission having advised the Commission that it has made a preliminary examination of Supplement 2 and the application of Ohio Valley and that, upon the basis thereof, the following matters and questions are presented for consideration without prejudice to its specifying additional matters or questions upon further examination:

1. Whether the aforementioned Plan A and Plan B, as submitted or as modified, are necessary to effectuate the provisions of section 11 (b) of the act and are fair and equitable to the persons affected thereby.

2. Whether the standards of section 11 (e) are met by Plan B insofar as it vests discretion in the directors of UPU or Trustees with respect to (a) the time of dissolution of UPU, (b) the times for making distributions to the security holders and the amounts of such distributions, (c) the time for creditors or others to file claims, and (d) the possible extension of the date for security holders to claim the liquidating distribution under Supplement 1.

3. Whether the proposed sale and acquisition of securities are in conformity with section 12 (d) and sections 10 (b) and 10 (c) of the act, and particularly whether the proposed acquisition of securities will unduly complicate the capital structure of the proposed holding company system of Ohio Valley or will be detrimental to the public interest or the interest of investors or consumers or the proper functioning of Ohio Valley's proposed holding company system.

4. Whether the fees, expenses and remuneration to be paid by UPU and Ohio Valley in connection with the proposed transactions are for necessary services and reasonable in amount.

5. Whether, in the event that the proposed transactions are approved, it is necessary or appropriate to impose terms or conditions in the public interest or for the protection of investors or consumers, and particularly whether the Commission should condition its approval of the proposed acquisition of securities upon such a fair offer by Ohio Valley to purchase the publicly held common stock of Peoples Service Company as the Commission may find necessary or appropriate.

It is further ordered, That particular attention shall be directed at said hearing to the foregoing matters and questions.

It is further ordered, That jurisdiction be, and it hereby is, reserved to separate, either for hearing, in whole or in part, or for disposition, in whole or in part, any of the issues which may arise in these proceedings.

It is further ordered, That the Secretary of the Commission shall give notice

of this hearing by mailing a copy of this order by registered mail to the Federal Power Commission, the Public Service Commission of Indiana, and to UPU, Indiana-Ohio Public Service Company, Lynn Natural Gas Company, Peoples Service Company, Ohio Valley and the Lincoln National Life Insurance Company of Fort Wayne, Indiana; that notice shall be given to all other persons by general release of this Commission, which shall be distributed to the press and mailed to the mailing list for releases under the act; and that further notice shall be given to all persons by publication of this order in the FEDERAL REGISTER.

It is further ordered, That UPU shall mail a copy of this notice and order to each of its security holders (insofar as the identity of such security holders is known to UPU) including the holders of its voting trust certificates, at least 10 days prior to the date set for hearing; and that UPU shall enclose therewith a statement that UPU may amend Supplement 2 without giving notice thereof to security holders, unless ordered to do so by the Commission, except that any security holder requesting UPU to give him notice of further amendments shall be given such notice by UPU.

By the Commission.

PUBLIC SERVICE CO. OF NEW HAMPSHIRE
ORDER GRANTING APPLICATION

At a regular session of the Securities and Exchange Commission, held at its office in the city of Washington, D. C., on the 11th day of October A. D. 1948.

Public Service Company of New Hampshire ("New Hampshire"), a public utility subsidiary of New England Public Service Company, a registered holding company, having filed an application, and amendments thereto, pursuant to the third sentence of section 6 (b) of the Public Utility Holding Company Act of 1935, and Rule U-50 of the Rules and Regulations promulgated thereunder, regarding the following transactions:

New Hampshire proposes to issue and sell, pursuant to the competitive bidding requirements of Rule U-50, \$7,000,000 principal amount of First Mortgage Bonds, Series D, --% due 1978, to be issued under and secured by a First Mortgage to Old Colony Trust Company, as Trustee, dated as of January 1, 1943 as supplemented by various supplemental indentures, including a proposed Fourth Supplemental Indenture to be dated as of October 1, 1948. The interest rate and the price to the company for the bonds will be determined by competitive bidding except that the invitation for bids will specify that the interest rate shall be a multiple of $\frac{1}{2}$ of 1% and that the price to the company shall be not less than 100% nor more than 102.75% of the principal amount thereof, plus accrued interest.

The application states that the company will use \$3,600,000 of the proceeds from the sale of the bonds to repay the company's short-term bank borrowings. The balance of the proceeds in the amount of \$3,400,000 will be deposited initially with the Trustee under the indenture and will be withdrawn from time to time upon certification to the Trustee of additional property. It is anticipated by the company that the \$3,400,000 deposited initially with the Trustee will be withdrawn by January 31, 1949 and will be similarly applied to repay short-term bank borrowings or will be used for other corporate purposes. New Hampshire has requested that the ten-day notice period for inviting bids as provided by subdivision (b) of Rule U-50 be shortened to not less than six days so as to permit the opening of bids on October 18, 1948, and that the order with respect to said application, as amended, become effective forthwith.

The application having been filed on September 10, 1948, and the last amendment thereto having been filed on October 8, 1948, and notice of said filing having been given in the form and manner prescribed by Rule U-23 promulgated pursuant to said act, and the Commission not having received a request for hearing with respect to the application, as amended within the period specified in said notice, or otherwise, and not having ordered a hearing thereon; and

The Commission finding that New Hampshire is entitled to an exemption from the provisions of section 6 (a) of the act pursuant to the provisions of section 6 (b) thereof, it appearing that the proposed issue and sale of bonds are solely for the purpose of financing the business of applicant and have been expressly authorized by the New Hampshire Public Service Commission, the Commission of the State in which New Hampshire is organized and doing business and by the Vermont Public Service Commission, the Commission of the State in which New Hampshire is also doing business; and

The Commission being of the opinion that it is appropriate to grant said application, as amended, without the imposition of terms and conditions other than those hereinafter stated; and the Commission also deeming it appropriate to grant the request of New Hampshire to shorten the bidding period provided by

Rule U-50 to not less than six days and that the order herein become effective forthwith;

It is ordered, Pursuant to Rule U-23 and the applicable provisions of said act, that said application, as amended, be, and the same hereby is, granted forthwith, subject to the terms and conditions contained in Rule U-24 and subject to the additional conditions:

(1) That the proposed sale of bonds of New Hampshire shall not be consummated until the results of competitive bidding have been made a matter of record in this proceeding and a further order shall have been entered by this Commission in the light of the record so completed, which order may contain such further terms and conditions as may then be deemed appropriate, jurisdiction being reserved for this purpose.

(2) That jurisdiction be reserved with respect to all legal fees incurred or to be incurred in connection with the proposed bond financing.

It is further ordered, That, in accordance with the request of the applicant, the ten-day period for inviting bids as provided in Rule U-50 be, and the same hereby is, shortened to a period of not less than six days.

By the Commission.
